Cover Letter

To whom it may concern,

Hi! My name is Jiashuo Wang. Currently I am in the first year of my master in University of Michigan, Ann Arbor. My major is Electrical Engineering: Control, and my minor is Computer Science.

I have years of experiences in Java, C++. I think my knowledge will help me do your job better.

I would like to find a summer internship in 2015, specializing in Software Developing.

If you need more information, feel free to contact me.

Yours, sincerely
